Accordingly, the Directors recommend all Shareholders to vote in favour of all the resolutions to be proposed at the AGM to approve the renewal of the general mandates to issue and repurchase Shares, the addition to the Issue Mandate those shares repurchased pursuant to the Repurchase Mandate, the re-election of Directors and the renewal and approval of Directors' appointment letters.

Yours faithfully
For and on behalf of
Lee & Man Paper Manufacturing Limited
Lee Man Chun Raymond
Chairman

This is an explanatory statement given to all Shareholders relating to a resolution to be proposed at the AGM authorising the Repurchase Mandate.

This explanatory statement set out below contains all information reasonably necessary to enable Shareholders to make an informed decision on voting on the Repurchase Mandate as required pursuant to Rule 10.06(1)(b) and other relevant provisions of the Listing Rules.

1. EXERCISE OF THE REPURCHASE MANDATE

As at the Latest Practicable Date, the issued ordinary share capital of the Company comprised 4,557,369,000 Shares.

Subject to the passing of Ordinary Resolution No. 13 at the AGM and on the basis that no further Shares are issued or repurchased prior to the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 455,736,900 Shares.

The expiry of the Repurchase Mandate will be the earlier of:

- (a) the conclusion of the next annual general meeting of the Company;
- (b) the expiration of the period within which the next annual general meeting of the Company is required by the Articles or any applicable law to be held; and
- (c) the revocation or variation of the resolution (if passed) proposed at the AGM in relation to the Repurchase Mandate by an ordinary resolution of the Shareholders in a general meeting.

2. REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and its Shareholders as a whole for the Directors to have a general authority from Shareholders to enable the Company to repurchase Shares in the market. Repurchases of Shares may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets and/or its earnings per share and will only be made when the Directors believe that such repurchases will benefit the Company and Shareholders as a whole.

3. FUNDING OF REPURCHASES

Any repurchases will only be funded out of funds of the Company legally available for the purposes in accordance with the Company's memorandum of association and Articles and the applicable laws of the Cayman Islands. A listed company may not repurchase its own shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

It is presently proposed that any repurchase of Shares would be made out of capital (subject to the Companies Law), profits of the Company or out of the proceeds of a fresh issue of Shares made for the purpose and, in the case of any premium payable on such repurchase, from profits of the Company or from the Company's share premium account or out of capital (subject to the Companies Law). The repurchase of Shares made out of capital will be conditional upon the fact that immediately following the date on which payment out of capital is proposed to be made, the Company shall be able to pay its debts as they fall due in the ordinary course of business.

4. STATUS OF REPURCHASED SHARES

The Listing Rules provide that the listing of all repurchased Shares is automatically cancelled and that the certificates for those shares must be cancelled and destroyed. Under the laws of the Cayman Islands, a company's repurchased shares shall be treated as cancelled and its issued share capital (but not the authorised share capital) will be reduced accordingly.

5. EFFECT OF EXERCISE OF THE REPURCHASE MANDATE

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the annual report for the year ended 31 December 2015) in the event that the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which, in the opinion of the Directors, are from time to time appropriate for the Company.

6. DISCLOSURE OF INTERESTS

None of the Directors and, to the best of their knowledge, having made all reasonable enquiries, none of their respective associates, have any present intention, if the Repurchase Mandate is approved, to sell any Shares to the Company.

No connected person (as defined in the Listing Rules) has notified the Company that they have a present intention to sell Shares to the Company if the Repurchase Mandate is approved. No connected person has notified the Company that they have undertaken to sell or not to sell his/her/its Shares to the Company in the event the Repurchase Mandate is approved.

7. DIRECTORS' UNDERTAKING

The Directors have undertaken to the Stock Exchange that they will exercise the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

8. TAKEOVERS CODE CONSEQUENCES

If as a result of a repurchase of Shares, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeover Code. As a result, a Shareholder, or a group of Shareholders acting in concert, depending on the level of increase in the Shareholder's interests, may obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 and 32 of the Takeovers Code. The Directors are not aware of any consequences which could arise under the Takeovers Code as a consequence of any repurchases pursuant to the Repurchase Mandate.

As at the Latest Practicable Date, Gold Best Holdings Ltd., the controlling shareholder of the Company, held 2,536,710,000 Shares, representing approximately 55.66% of the issued capital of the Company. If the Repurchase Mandate is exercised in full and assuming that there are no further changes in the ownership structure of the Company, Gold Best Holdings Ltd. will be interested in approximately 61.85% of the issued capital of the Company. Accordingly, the Directors are not aware of any consequences for Gold Best Holdings Ltd. under the Takeovers Code as a result, solely, of the Directors exercising the Repurchase Mandate in full.

9. SHARE PURCHASE MADE BY THE COMPANY

The Company repurchased an aggregate of 29,631,000 shares on the Stock Exchange in the six months preceding the Latest Practicable Date, with the details as follows:
